Interlocal Cooperative Agreement Between Edmonds School District and City of Edmonds for Police Coverage at School District Events

Staff Lead: Assistant Chief of Police Don Anderson

Department: Police Services

Preparer: Don Anderson

Background/History

This item went before the PSPP Committee on 02-11-2020 and was approved for placement on the consent agenda during the 02-18-2020 regular council meeting.

Staff Recommendation

Approve signing of the agreement by the Mayor via consent agenda at 02-18-2020 meeting.

Narrative

This agreement replaces a longstanding agreement with the school district that expired in September of 2019. For years the Edmonds Police Department has provided police security coverage on an off-duty, overtime basis at School District events such as athletic events, dances, graduations, etc. However, the only formal Agreement in place with the District specifically addressed athletic events at the stadium only. When that agreement reached its term it was decided to initiate a new agreement that encompassed all of the different events that the District may employ our off duty officers for. This agreement was drafted and approved by City Attorney Sharon Cates and has been reviewed and approved by the Edmonds School District Board of Directors and signed by the Superintendent. This agreement was reviewed by the PSPP Council Committee and approved for placement on the council consent agenda on 02-18-2020.
