Field Arborist Job Description

Staff Lead: Jessica Neill Hoyson

Department: Human Resources

Preparer: Jessica Neill Neill Hoyson

Background/History

Field Arborist was approved as part of the 2020 Budget. This is to increase the current positions which is .25% Arborist work to a full-time position. This position was previously presented to committee. Questions were asked regarding coordination with planning and code enforcement. The job description was developed with input from Planning. This position will coordinate with Planning and Code Enforcement through the UFMP.

Staff Recommendation

Approve Filed Arborist Job Description.
